

E-SERIES

BE BOLD. DARE TO STAND OUT.

E-Series 21 Cruise • E-Series 23 Cruise EXT • E-Series 23 Flex • E-Series 23 Lounge • E-Series 23 Dual Lounge

Let us help you choose the Mercury motor that's right for you!

- 1** Each pontoon boat shows a list of motor choices with pricing and weekly payments.
- 2** We've highlighted the most popular engines on each model to make your motor choice easy.
- 3** Choose the motor that gives you the efficiency you want or the speed desired for the activities you plan to enjoy.

TO SEE IT UP CLOSE

The NMMA label on a Legend boat is your proof that it meets, and often exceeds, the industry's strictest quality and safety standards.

E-Series Construction

Stainless Steel Hardware

Using stainless steel elevator bolts and fasteners instead of pop rivets to attach our decking to the substructure results in a strong, reliable boat for years to come.

F-style Rub Rail Support

The outside deck edge is covered with this unique F-Style rub rail which clips onto the deck and is fastened securely with stainless bolts. It prevents unnecessary sagging edges and reinforces the entire deck.

Thick Lifetime Decking

A thicker floor means a stronger boat. With 7 layers, each individually treated, we can offer a Lifetime Warranty against rotting. Each seam is sealed with LockOut sealing adhesive and is lined up over a cross member for exceptional dryness.

No-Rot Seat Bases

Made with thick roto-cast material means they can never rot, no matter how wet they get. They even have integrated drainage channels so your gear stays drier as well.

Full-length Heavy-Duty V-keel

Our dual-purpose keels provide great protection against unseen obstacles or sandy beaches, while at the same time adding great control even in wind.

Triple-protected Tube Design

Our pontoons are divided into three separate compartments and sealed, making them air tight even in the event of a puncture. If the air can't get out, water can't get in.

EZ-Drain Tubes

Each section of the tubes are connected to one another by a small channel that allows any condensation to drain completely to the back of the tube and out of our Sure-Lock threaded drain plug.

Wave-slicing Wide Nose Cones

The combination of pointed nose cones with spray deflecting lifting fins means you will have a smooth and dry ride in every Legend pontoon.

Footed Deck Supports

By adding a foot to each deck support, we ensure that downward pressure from the upper deck assembly is spread out over a larger surface area for a safer connection. Your pontoon will last longer.

Raised, Quick Dry, Silent Fencing

3/8" spacers raise the fence off of the deck for desired water run-off and airflow, making deck clean-up a breeze. Anti-vibration foam back panels keep your trip quiet.

Freight Charges by Zone.

Zone	ON, QC	MB, NB, PE, NS	SK	AB	BC	NL
16' to 22' Pontoons	No Fee	\$925	\$1,125	\$1,550	\$1,825	\$2,925
23' to 26' Pontoons	No Fee	\$1,175	\$1,450	\$1,950	\$2,275	\$3,675
V-Series AquaTower	No Fee	\$2,350	\$2,900	\$3,900	\$4,550	\$7,350

Freight Surcharges:

Zone	ON, QC	MB, NB, PE, NS	SK	AB	BC	NL
16' to 22' Pontoons	\$300	\$300	\$350	\$475	\$525	\$900
23' to 26' Pontoons	\$375	\$375	\$425	\$600	\$700	\$1,100
V-Series AquaTower	\$750	\$750	\$850	\$1,200	\$1,400	\$2,200

 = Headquarters Whitefish, Ontario

*We only print one version of our catalogue for all of Canada. Customers outside of Ontario and Quebec will have a small fee for freight. Visit us at legendboats.com for your local, ALL-IN, No-Fee Price including current promotions and current premium package pricing.

No Fee Setup and Orientation

All of the components of your pontoon boat and motor package have been specially chosen for compatibility. The professionals at your authorized Legend Dealership will help you to select the proper motor and options for your package. They will then prepare your package to ensure proper and worry-free operation. All this, at no additional charge to you, thanks to our All-In Pricing.

The setup includes the following items: control box, shift cables, cranking battery, aluminum propeller, outboard installation and set-up. Your dealer will prepare your package and give you a full orientation to ensure trouble-free boating from day one.

* Freight charges outside of Zone 1 (Ontario and Quebec), licenses, and taxes are extra on all prices. Delivery is available at an additional cost. Payments are calculated with licenses, bank registration charges, and taxes as your downpayment at 5.99% over 1,040 weeks for amounts \$23,000 and higher, 5.99% over 780 weeks for amounts between \$10,000 and \$22,999, and 7.99% over 364 weeks for amounts less than \$10,000 (at time of printing). All financing is OAC. Payments will vary by province. All Choose your power prices are in addition and only available with the purchase of the specific package they are listed with; they are not stand alone motor prices. Towing weights are approximate and are calculated based on a full tank of fuel and 200 pounds for batteries and gear. Speed tests were done with 2 persons, 50 pounds of gear and proper weight distribution. Actual performance may vary. Prices, rates and specifications are subject to change or error. Pictures may show options. Ask for complete details. All illustrations, photographs and specifications in this catalogue are based on the latest product information. See actual boat for complete accuracy. Legend reserves the right to make changes at any time, without notice, in prices, colours, materials, equipment, specifications and models, and to discontinue models or equipment. For information on accessories, contact your local Legend dealer.

Please refer to your provincial laws regarding trailer brakes and ensure that your boat package and tow vehicle comply with the regulations in the provinces you intend to travel in. Brakes may be required in certain circumstances and can be purchased as an option or your trailer model can be upgraded before delivery if brakes are not available on certain trailers. It is your sole responsibility to ensure you comply with all provincial brake requirements for vehicles and also that you always operate your tow vehicle safely. Legend Boats accepts no responsibility with regards to provincial compliance.

At legendboats.com, you'll find a fully-priced electronic version of our catalogue as well as additional pictures and special offers. Always distribute passengers and cargo evenly, wear a PFD and follow the rules for safe boating. Visit: www.tc.gc.ca/boatingsafety

Choose Your Power.

Ask your Legend dealer to help you select the Mercury outboard that best suits your needs from the motor choices below. Use the chart that corresponds with the standard engine packaged with your boat model. Simply add the amount to the standard package price to have the motor that is perfect for you.

We do things a little differently.

Is Legend Canadian?

Yes. We are a Canadian company. We live and play where you do. We understand boating in the unique Canadian wilderness. It's different here, and that's why each and every model is designed by Canadians and built for Canadians. From thicker aluminum to full stand-up tops, we make sure that Mother Nature is no match for your Legend.

Are Legend boats built in Canada?

Yes and No. Our product developers seek out quality manufacturers throughout North America who can produce in the most cost effective way. By outsourcing component manufacturing and then performing all final assembly, sales, service, and warranty right here in Canada, we ensure that the end product is fit for the Great Canadian outdoors.

It seems like everyone's warranty is pretty much the same. Is that the case?

Well, at first glance it appears that most companies are offering some sort of lifetime warranty, and it's easy to assume that all warranties are the same, but the devil is in the details. By details, we're talking about the fine print. Our **WOWranty** combined with our **Lifetime** hull warranties give you the absolute best warranty coverage, bar none. Not only do we cover more stuff for longer, but the best part is that everything is taken care of right here in Canada.

Someone told me Legend boats are underpowered. Is that true?

No. You can actually power your boat with the engine of your choice. Each Legend boat model is designed and packaged with a Mercury motor large enough to get you and a friend on the water to experience the boating lifestyle with minimal investment. We understand that everyone's boating needs are different, and that the packaged motor may not suit your needs. That's why we make it easy to choose the perfect Mercury outboard to power all of your on-water activities. So, whether you want to troll all day, bring the kids tubing, cruise with your family or pull two water skiers, we'll help you select the engine that's just right.

Why do you only package your boats with Mercury outboards?

We partner exclusively with Mercury because of their proven quality, value, reliability, service and features. With the large number of clients we help onto the water each year in Canada, other outboard manufacturers would love us to package with their brand. Mercury appreciates our business so much, they offer us exclusive savings that we simply pass on to you. That's how we package with the oldest, largest, number one outboard engine brand at such an incredible price. On top of a great price, by purchasing a complete custom package you'll enjoy consistent performance and one-location servicing.

We give you the most standard equipment

We've outfitted our boats with more equipment for less. Things that you would have to pay thousands of dollars extra for with other brands are simply part of our value-packed models. Many of our Legend packages have standard features like Dura-deck vinyl floors, automatic bilge pumps, and a bunch of other great stuff that is optional in other brands. When it comes to value, we're proud to say that nobody compares. We have more equipment for less than any other brand!

You claim your quality is good but your prices are low. How is that possible?

You get what you pay for right? Well in most cases, yes. But at Legend, we never sacrifice quality in order to reduce cost. Our use of quality brand name products in our packages such as Shoreland'r trailers, MotorGuide trolling motors and Mercury outboards - the largest brands in boating - speak for themselves. To keep prices low, we build fewer models in higher volumes and package each model with the same popular features. By purchasing thousands of each component, such as full stand-up tops, fish finders and GPS', we can offer you unbelievably high quality at incredibly low prices. That's how we do it.

6-YEAR WOWRANTY

A warranty that makes you say wow!

Sure we've always had the industry's best warranties on the structural parts of our boats, like the welds, main riveted seams, pontoon tubes, decks and transoms, but what about everything else in your boat? Well, most companies offer a 1 year warranty on the other stuff and some offer up to three years. Although this is very respectable, we figured we'd double that. Legend's 6 Year WOWranty covers most other components for 6 long years, plus our Q-Series LE's, Q-Series and V-Series pontoon boats offer a 10 year warranty. That gives you a lot of worry-free, quality, memory-makin' time.

*For more details, visit
www.legendboats.com/wowranty

3-year Mercury Warranty

Every Mercury 4-Stroke outboard is backed by a 3-year standard limited warranty to give you peace of mind. Ask us about Mercury Product Protection to extend your Mercury Factory Warranty for up to 8 years.*

Lifetime Floor and Deck Warranty

A thicker floor means a stronger boat. With 7 layers of marine-grade plywood, each individually treated, we can offer a lifetime warranty against rotting.

Legend Glide-On Trailer Warranty 5+1 Year

Every Legend Glide-On trailer by Shoreland'r is backed by a 5 year frame warranty and 1-year complete tongue to tail light warranty.*

Legend ProTech 5+1 Year Canvas Warranty

Legend ProTech All-Synthetic Tear and Mildew-Resistant Material is backed by a 5 Year Warranty and guaranteed not to rot or fade for five years. Stitching, zippers, seams and other top components are covered for 1 year.

Lifetime Tube, Deck, and Transom Warranty

Legend pontoon boats are backed by a lifetime warranty on the pontoon tubes, deck, and transom so you will be assured of hassle-free boating for years to come. Plus our exciting 6 Year WOWranty now extends coverage on all your key components.*

Our Story

In 1968, two young friends, Vic Duhamel and Carl Dewar decided to start a business. Over the years, they sold products ranging from tires to RVs before realizing how much they loved helping people onto the water and into the boating lifestyle. There were two big issues that they found. Buying a boat was much too difficult, and there really wasn't a boat designed for the Canadian environment.

In 1986, with the goal of simplifying the ownership experience and offering a boat designed by Canadians and built for Canadians, Legend Boats was born. Vic and Carl started by creating affordable and complete boat, motor and trailer packages. They beefed up their boats with thicker aluminum and made full stand-up tops standard on every full windshield model. They wanted to make sure every Legend boat could handle the rugged Canadian climate while keeping boaters safe and comfortable.

Seven children and fifteen grandchildren later, Legend is proud to have the same owners and same focus on family values as it did over 36 years ago when Vic and Carl decided to dedicate their lives to making it easier and more affordable to get on the water. We can't wait to welcome you to the Legend Family so that you can start creating your memories!
